

News from the 30/50 Reunion Committee

February 24, 2016

In This Issue

Greetings!

[Website Update](#)

[Trailer Update](#)

Your reunion committee is in the midst of a very productive few days in Charleston making final plans for the reunion and arranging entertainment and speakers. It is going to be a spectacular event for the 30/50 anniversary and we look forward to seeing all of our shipmates. Here is an update on just one of the days in July:

After the Friday morning memorial service on the USS Yorktown, there will be a beach party at the Isle of Palms VFW, the "best post on the coast". Bring your swim wear with you to enjoy the afternoon at the beach. We will have a low country boil for lunch. You will be able to eat outside in the

fresh ocean air or go inside the post for a nice air-conditioned view of the ocean. There will be a cash bar in the post for all of our shipmates and friends. The bus service will take us back to the hotel after the beach bash so everyone can get ready for their evening plans.

Website Update

Richard has made more updates to the website [USS Wainwright Association Webpage](#). Please let him know if you have any questions or suggestions for the site. Please send him any pictures you have of past reunions, parades, etc. [Richard Molck](#).

Trailer Update

We are in full swing to get ready for this year's season. The kickoff event is in Melbourne, Florida in April. See the link on the [website](#) under the trailer tab for more information. Also note that we had to cancel one event already due to lack of funding. Please help us keep the trailer on the road so we can continue to promote our association as well as support our shipmates' local veteran's events.
