Reunion Update

We are starting to receive many positive comments from shipmates telling us how excited they are to come home to Charleston for the 50/30 reunion. The reunion committee has finalized the hotel as well as other plans during their most recent trip to Charleston and was pleased to see the complete remodel of the hotel is on schedule. We will be the

second reunion in the new Marriott hotel and the model rooms we were shown were outstanding. It will be the first of a new Marriott brand in this region and may very well be the nicest facility to host a Wainwright reunion. July in Charleston is a very busy time and hotels tend to fill up. We have a certain number of rooms blocked for our reunion at this point so it is important that if you are attending the reunion or even just thinking about it at this point, please make your reservations using the information on our [website](#). Like all hotels, a reservation can be cancelled a day or two before the indicated arrival date. Although the hotel will work with us to provide additional rooms at our discounted price it is in their best interest to sell rooms at the highest possible price. Don't wait and lose out on the savings. The hotel has extended our special rate to three days prior to and three days after the reunion and as we are working on obtaining discounts from area restaurants as well as tourist attractions, you'll have plenty of choices to make this reunion all the more special.

We are getting registration forms from shipmates all over the US, even as far away as Arizona. This will be a special reunion, so don't be a slacker, get onboard now and get registered to join us in this special event.
