

Messages from The President

On behalf of the Board of Directors, I want to thank the 155 people that took the time to respond to our recent reunion survey concerning your desires. Thanks also to those who made comments for the planning of our July 13-14, 2016 reunion in Charleston, SC.

We have taken everything into consideration and incorporated a number of your wishes and thoughts not only in the hotel reservations but in the event planning as well.

Thank you again for taking the survey.
