

Happy Thanksgiving!

The officers of the USS Wainwright Veterans Association would like to wish all the association members and their families a **Very Happy Thanksgiving.**

Message from the President

Shipmates,

I know the reunion newsletter, email and printed, is due this month. It will be published, if all goes right, by December 15th. We conducted one more survey to which we had 98 responses. Results of that will be out this week. Quite frankly, believe it or not, we have been busting our posteriors trying to make this a truly memorable reunion experience. There is still a lot of work to be done so if you would like to assist please let us know.

A brand new website is being worked on in hopes of getting a site with modern bells and whistles. I can't give you a projected turn on date but expect it early winter to early spring. Previews look great. We are working on a way to get our Guest Book back unencumbered by the junk some people see fit to spam us with.

Don't forget to make those hotel reservations. Instructions have been provided in a past newsletter. For those of you looking at prices and are comparing the room rate with a "today" rate you need to put in the reunion dates not this years. I think you will realize what a deal we are getting.
