

USS Wainwright Battle Tested Battle Proven

PATRIOTISM BOWL SEPTEMBER12,2014

On September 12, 2014 the Wainwright attended the Mallard Creek Patriotism Bowl along with many other traveling static displays including, but not limited to, Hendrick's NASCAR Racing Team with the 88 car, the Carolina Panther "Sir Purr" mascot (no cheerleaders). USO, and all the services and many other service related organizations were also represented.

The Wainwright was given

a PERFECT spot near the entrance to the stadium.

Richard Molck, Rich's father and Dick Becker met some very interesting and interested people who were generally impressed by what WE had done to show history of the different eras. Persian Gulf Navy people were surprised to see so much history and they told us that "You don't see or hear much about Persian Gulf naval battles and even less about naval support groups."

A retired DLG-30 sailor was so surprised to see the Wainwright that he couldn't even talk.

This event was good for Wainwright and the purpose of the trailer and our duties as custodians of our history very evident.
