On Sunday the 29th we will travel with our escort as far as the Pentagon where we will leave them as they form up for the 28th annual POW/MIA demonstration Run to the Wall around the mall in Washington. We will continue on our way to set up on Henry Bacon Drive between Memorial Bridge and Constitution Avenue and right by the Vietnam Veterans Memorial Wall for the passing of the thousands of motorcycle that participate.

We encourage anyone who lives or will be in the DC area to join us as we support our brother and sister veterans on what can become a very emotional day. With apologies to Lee Greenwood, these several hours very much makes a person proud to be an American.

On Monday, May 30, we will be at the U S Navy Memorial at 701 Pennsylvania Avenue from 1100 to 1600. Come out and support your traveling museum and the thousands of Veterans that will be in the area that weekend. On Wednesday, June 1 our travels will take us to the Nauticus Museum in Norfolk, VA, the home of the USS Wisconsin BB 64 where we will be open from 9:00 A.M. until 5:00 P.M. for tours.
